DISORIENT PRESENTS:
COUNTRY CLUB V
MAY 22ND (NOON) TO MAY 25TH (NOON)
UPSTATE NEW YORK IN SHANDAKEN, NY

Country Club is deep chilling with Disorient. It’s three days of off-the-grid relaxation where blissful self-reliance meets massive multiplayer participation. It’s a blank canvas for music, art, and performance, where every host is our guest, and every guest is our host. Create your own art and interactivity and come to play!

GENERAL INFO
This is a LEAVE NO TRACE event.

This means, leave the place you visit the same or better than you found it. Bring trash bags, and take your trash with you when you leave.

There is no vending at Country Club, and no vending is allowed. Bring everything you need for survival and well-being including shade, food and water.

There is little to no car-camping at Country Club, be prepared to park and camp in separate locations (though not far from each other). Most of the camping site is in the woods.
Country Club is not RV friendly. If you would like to bring an RV to Country Club you must contact us directly at countryclub@disorient.info or laura@disorient.info to request placement. RV spaces are limited and are released on a first come, first served basis.

No RVs will be considered after May 12, 2015.

You may bring your pets but please be mindful of them, as there are coyotes and snazzwanglers in the area. You are responsible for cleaning up after your pets, poop = moop.

If you did not purchase your own ticket, you MUST sign a waiver at the gate. You must bring enough food, water, shelter, and first aid to survive one week in a harsh mountain environment. Commercial vending prohibited. You agree to read and abide by ALL rules in the Survival Guide.
Country Club is a Leave No Trace (LNT) event. Pack it in, pack it out. We will leave the space in better condition than we found it. Do your part by packing out your trash with you.

Leave no trace includes anything you burn! If you burn something that leaves a bunch of burnt confetti in the grass, clean it up. Burnt cardboard flakes and flies away, so pay attention!

MOOP = MATTER OUT OF PLACE. If it didn’t start out living there, it doesn’t belong there and it’s out of place! Return it to its home or trash it.

SMOKERS! Carry a butt can and use it. Roll your smokes so filters are not found anywhere when you leave.

Bring garbage bags, as garbage cans and bags will not be provided. Bring at least 5 heavy duty bags.
INFO FOR THE DISORIENTED CAMPER

MUST DO:

BRING WATER.
There is no water provided at Country Club. You must bring all the water you will need for the weekend. The common recommendation is 1 gallon per person, per day. We suggest you bring a bit extra, you will need to do your dishes, need water for cooking and there may be a day that it gets really hot and you drink a lot of water.

Remove all excess packaging from your supplies before you bring it to Country Club.

HIDE YOUR TRASH AND RECYCLING
Consider using a secured tarp or wherever people who are just traveling through your camp area won’t throw shit into them. This will reduce the amount of trash you have to take out in the end and more importantly reduce the amount of time you spend separating recycling from nasty ass trash.

Take a few extra bags of trash out with you when you leave Country Club. Some campers are arriving at Country Club via bus, making trash difficult, if you have the space help a fellow camper out who you know did not drive, they are sure to appreciate it.

Bring twice as many trash bags as you think you will need so you can share them with your neighbor. If you have extras at the end, the Disengage crew will love you for leaving them with them on the way out.

No disposable (plastic) cups. Bring large plastic tumblers, write your name on them and use those. If you bring a really nice cup it can become part of your playa persona.

Don’t throw any plastic or glass into the burn barrels. Inhaling burning plastic makes you feel weird, and not in a good way.

Pick it up as you go.
If you are a smoker, keep your butts. Cigarette butts are moop.

Carry a butt tin (an Altoids tin works great) and use it.

Bring toilet paper, there will be portojohns.
MIGHT DO:
Avoid glass.
No glass beer bottles please. Glass takes up more room in the fridge and cooler, you can’t shotgun them and it is a bitch to deal with if they break. Cans can be crushed and put with your recycling, crushed cans take up less space in your already full car.

Burn your burnables. If you are taking a bus or shuttle, make a plan with friends to share supplies and combined trash plans.

THANKS FOR BEING PART OF THE MAGIC.
ENJOY!

Disorient is a volunteer-run art collective.
Disorient is an open creative platform, powered by love.

Disorient has very few rules, but two require declaration and elaboration:
1. Respect personal boundaries.
2. Take responsibility for your own experience.
The interplay of these two rules forms a social contract that makes our events safe places to explore your own boundaries while encouraging respect for each other. Talk to those around you about anything that makes you uncomfortable.
