COUNTRY CLUB

WHAT

A Radical Self-Reliance, Leave No Trace, art, music and camping event.

WHEN

July 22, 2011, 12PM to July 24, 6PM

WHERE

A private valley upstate New York, about 90 minutes North of New York City by car, bus, and train.

MUSIC

Disorient DJs and friends play dance music and chill-out on two stages.

ART

Country Club is an opportunity for artists who present large scale sculptures at Burning Man to install and test their artwork for a weekend outdoors. Real-condition tests for pieces designed to withstand the elements are valuable experiences

for artists who can then refine aspects of their installations.

This pop-up sculpture garden is a unique opportunity for participants to discover and engage art in a fresh outdoor setting.

We already have commitments from three major 2011 art projects: *Three Realms Spire* by Kate Raudenbush (10'x7'x7' - <http://kateraudenbush.com>),

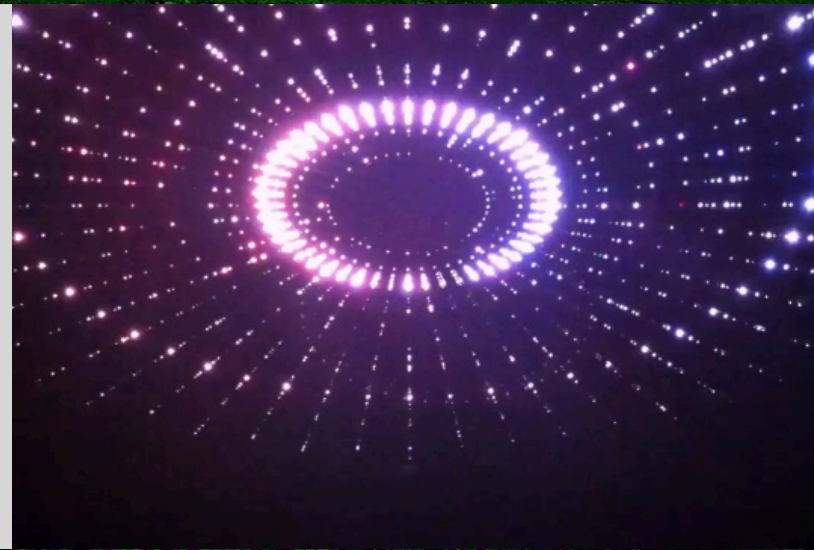

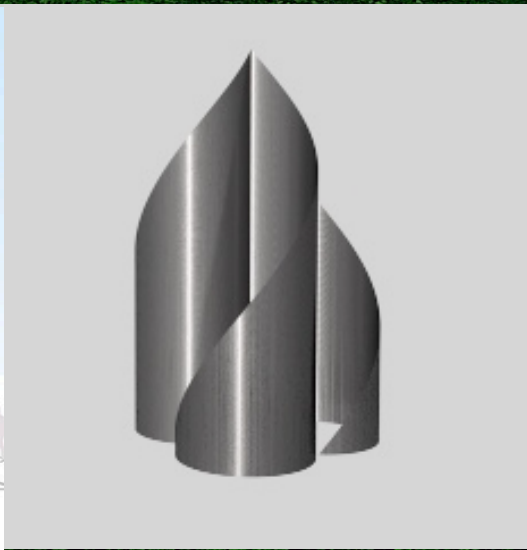

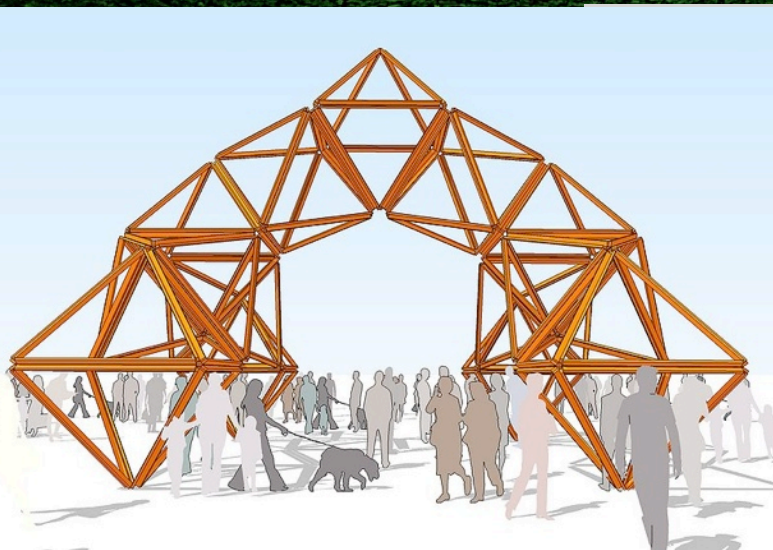

Geodesic Temple by Disorient (30'x30'x30' - <http://geodesic temple.com>) and *Firmament 2* by Leo Villareal (16'x16'x1' - <http://vimeo.com/22097244>)

CAMPING

This is a Radical Self-Reliance event. Bring water, tent, sleeping bag, food... and Leave No Trace.
